- 2). Roles and Responsibilities
- 3). Definition of Regulated Activity and Frequency
- 4). Recruitment and selection procedure
- 5). Offer of appointment and new employee process

## **INTRODUCTION**

The safe recruitment of staff in schools is the first step to safeguarding and promoting the welfare of children in education. ASOPA is committed to safeguarding and promoting the welfare of all pupils in its care. As an employer, the school expects all staff and volunteers to share this commitment.

## 1). Aims and objectives

The aims of the Safer Recruitment policy are to help deter, reject or identify people who might abuse pupils or are otherwise unsuited to working with them by having appropriate procedures for appointing staff.

The aims of ASOPA's recruitment policy are to ensure as follows:

- that the best possible staff are recruited based on their merits, abilities and suitability for the position.
- that all job applicants are considered equally and consistently
- that no job applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.
- compliance with all relevant legislation, recommendations and guidance including the statutory guidance published by the [Department for Education \(DfE\), Keeping Children Safe in Education - September 2021 \(KCSIE\)](#), the [Prevent Duty Guidance for England and Wales 2021 \(the Prevent Duty Guidance\)](#) and any guidance or code of practice published by the [Disclosure and Barring Service \(DBS\)](#); and
- that the School meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy.

The School has a principle of open competition in its approach to recruitment and will seek to recruit the best applicant for the job. The recruitment and selection process should ensure the identification of the person best suited to the job at the school based on the applicant's abilities, qualification, experience and merit as measured against the job description and person specification.

The recruitment and selection of staff will be conducted in a professional, timely and responsive manner and in compliance with current employment legislation, and relevant safeguarding legislation and statutory guidance (including KCSIE 2019 and Prevent Duty Guidance).

If a member of staff involved in the recruitment process has a close personal or familial relationship with an applicant, they must declare it as soon as they are aware of the individual's application and avoid any involvement in the recruitment and selection decision-making process.

ASOPA aims to operate this procedure consistently and thoroughly while obtaining, collating, analysing and evaluating information from and about applicants applying for job vacancies.

## 2). Roles and responsibilities

It is the responsibility of the governing body to:

- Ensure the school has effective policies and procedures in place for recruitment of all staff and volunteers in accordance with DfE guidance and legal requirements.
- Monitor the ASOPA's compliance with them.

It is the responsibility of the Principal, Head Teacher and Bursar involved in recruitment to:

- Ensure that ASOPA operates safe recruitment procedures and makes sure all appropriate checks are carried out on all staff and volunteers who work at the school.
- To monitor contractors' and agencies' compliance with this document.
- Promote welfare of children and young people at every stage of the procedure.

The governing body has delegated responsibility to the Principal (teaching staff) and Bursar (support staff) to lead in all appointments. School governors may be involved in staff appointments, but the final decision will rest with the Principal/Bursar.

## 3). Definition of Regulated Activity and Frequency

Any position undertaken at, or on behalf of ASOPA will amount to "regulated activity" if it is carried out:

- frequently, meaning once a week or more.
- satisfies the "period condition", meaning four times or more in a 30-day period.
- provides the opportunity for contact with children.

Roles which are carried out on an unpaid/voluntary basis will only amount to regulated activity if, in addition to the above, they are carried out on an unsupervised basis.

ASOPA is not permitted to check the Children's Barred List unless an individual will be engaging in "regulated activity". ASOPA is required to carry out an enhanced DBS check for all staff, supply staff and governors who will be engaging in regulated activity. However, ASOPA can also carry out an enhanced DBS check on a person who would be carrying out regulated activity but for the fact that they do not carry out their duties frequently enough i.e., roles which would amount to regulated activity if carried out more frequently.

## **4). Recruitment and selection procedure**

### **Advertising**

To ensure equality of opportunity ASOPA will advertise all vacant posts to encourage as wide a field of applicant as possible normally this entails an external advertisement. Any advertisement will make clear the school's commitment to safeguarding and promoting the welfare of children.

All documentation relating to applicants will be treated confidentially in accordance with the [Data Protection Act \(DPA18\)](#).

### **Application Forms**

ASOPA uses its own application form and all applicants for employment will be required to complete this form containing questions about their academic and full employment history together with their suitability for the role (all applicants are required to account for any gaps or discrepancies in employment history). Applicants submitting an incomplete application form will not be shortlisted.

The application form will include the applicant's declaration regarding convictions and working with children and will make it clear that the post is exempt from the provisions of the [Rehabilitation of Offenders Act 1974](#).

It is unlawful for the ASOPA to employ anyone who is barred from working with children. It is a criminal offence for any person who is barred from working with children to apply for a position at ASOPA. All applicants will be made aware that providing false information is an offence and could result in the application being rejected, or summary dismissal if the applicant has been selected, and referral to the police and/or the DBS.

### **Job Descriptions and Person Specifications**

A job description is a key document in the recruitment process and must be finalised prior to taking any other steps in the process. It will clearly and accurately set out the duties and responsibilities of the job role.

The person specification is of equal importance and informs the selection decision. It details the skills, experience, abilities and expertise that are required to do the job. The person specification will include a specific reference to suitability to work with children in a boarding environment.

### **References**

References for short-listed applicants will be sent for immediately after short-listing. The only exception is where an applicant has indicated on their application form that they do not wish their current employer to be contacted at that stage. In such cases, this reference will be taken up immediately after interview.

All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory by ASOPA. One of the references must be from the applicant's current or most recent employer. If the current/most recent employment does/did not involve work with children, then the second reference should be from the employer with whom the applicant most recently worked with children. The referee should not be a relative. References will always be sought and obtained directly from the referee and their purpose is to provide objective and factual information to support appointment decisions.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children. Referees will also be asked to confirm that the applicant has not been radicalised, so that they do not support terrorism or any form of "extremism".

Please note that no questions will be asked about health or medical fitness prior to any offer of employment being made.

Any discrepancies or anomalies will be followed up. Direct contact by phone will be undertaken with each referee to verify the reference.

ASOPA does not accept open references, testimonials or references from relatives.

### **Interviews**

There will be a face-to-face interview wherever possible, and a minimum of two interviewers will see the applicants for the vacant position. The interview process will explore the applicant's ability to carry out the job description and meet the person specification. It will enable the panel to explore any anomalies or gaps which have been identified in order to satisfy themselves that the chosen applicant can meet the safeguarding criteria (in line with Safer Recruitment Training).

Any information regarding past disciplinary action or allegations, cautions or convictions will be discussed and considered in the circumstance of the individual case during the interview process, if it has been disclosed on the application form.

At least one member of any interviewing panel will have undertaken safer recruitment training or refresher training as applicable.

All applicants who are invited to an interview will be required to bring evidence of their identity, address and qualifications. Original documents only will be accepted, and photocopies will be taken. Unsuccessful applicant documents will be destroyed 6 months after the recruitment programme.

## **5). Offer of appointment and new employee process**

In accordance with the recommendations set out in [KCSIE and the requirements of the Education \(Independent School Standards\) Regulations 2019](#) ASOPA will carry out a number of pre-employment checks in respect of all prospective employees.

When it is decided to make an offer of employment it will be conditional on the following:

- the agreement of a mutually acceptable start date and the signing of a contract incorporating the ASOPA's standard terms and conditions of employment.

- verification of the applicant's identity (if not previously been verified).
- the receipt of two references (one of which must be from the applicant's most recent employer) which ASOPA considers to be satisfactory; for positions which involve "teaching work".
- the receipt of an enhanced disclosure from the DBS which ASOPA considers to be satisfactory.
- confirmation that the applicant is not named on the Children's Barred List.
- the applicant is not subject to a direction under section 142 of the Education Act 2002 which prohibits, disqualifies or restricts them from providing education at a school, taking part in the management of an independent school or working in a position which involves regular contact with children.
- the applicant is not subject to a direction under section 128 of the Education and Skills Act 2008 which prohibits, disqualifies or restricts them from being involved in the management of an independent school.
- verification of the applicant's medical fitness for the role.
- verification of the applicant's right to work in the UK.
- any further checks which are necessary as a result of the applicant having lived or worked outside of the UK.
- verification of professional qualifications which ASOPA deems a requirement for the post, or which the applicant otherwise cites in support of their application (where not previously verified).

A personal file checklist will be used to track and audit paperwork obtained in accordance with Safer Recruitment Training. The checklist will be retained on personal files.

#### **The Rehabilitation of Offenders Act 1974**

The Rehabilitation of Offenders Act 1974 does not apply to positions which involve working with or having access to pupils. Therefore, any convictions and cautions that would normally be considered 'SPENT' must be declared when applying for any position at ASOPA

#### **DBS (Disclosure and Barring Service) Check**

ASOPA applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions at the School as defined in the [Safeguarding Vulnerable Groups Act 2006](#) (as amended). The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List and to obtain other relevant suitability information.

It is ASOPA policy that the DBS disclosure must be obtained before the commencement of employment of any new employee.

It is ASOPA policy to re-check employees' DBS Certificates every three years and in addition any employee who takes leave for more than three months (i.e., maternity leave, career break etc) must be re-checked before they return to work.

Members of staff at ASOPA are made aware of their obligation to inform the Bursar or the HR Department of any cautions or convictions that arise between these checks taking place.

DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence.

### **Portability of DBS Certificates Checks**

Staff must join the DBS Update Service and can sign for a fee of £13 per annum payable by the applicant.

This allows for portability of a Certificate across employers. ASOPA will:

- Obtain consent from the applicant to carry out an update search.
- Confirm the Certificate matches the individual's identity.
- Examine the original certificate to ensure that it is for the appropriate
- The Update check would identify and advise whether there has been any change to the information recorded, since the initial Certificate was issued. Applicants will be able to see a full list of those organisations that have carried out a status check on their account.

### **DBS Certificate**

The DBS no longer issue Disclosure Certificates to employers; therefore employees/applicants should bring their original Certificate to The Bursar at ASOPA.

### **Dealing with convictions**

ASOPA operates a formal procedure if a DBS Certificate is returned with details of convictions.

Consideration will be given to the Rehabilitation of Offenders Act 1974 and:

- the nature, seriousness and relevance of the offence.
- how long ago the offence occurred.
- one-off or history of offences.
- changes in circumstances.
- decriminalisation and remorse.

A formal meeting will take place face-to-face to establish the facts with the Bursar. A decision will be made following this meeting. If relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the Bursar will evaluate all the risk factors above before a position is offered or confirmed.

If an applicant wishes to dispute any information contained in a disclosure, they may do so by contacting the DBS. In cases where the applicant would otherwise be offered a position were

it not for the disputed information, ASOPA may, where practicable and at its discretion, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the disclosure information.

### **Secretary of State Prohibition Orders (Teaching & Management roles)**

In all cases where an applicant is to undertake a teaching role of any kind, a Prohibition Order check will be made using the Employer Access Online Service. It is anticipated that this will be performed at offer stage. A person who is prohibited from teaching must not be appointed to work as a teacher in such a setting.

Prohibition orders are made by the Secretary of State following consideration by a professional conduct panel convened by the Teaching Regulation Agency. Pending such consideration, the Secretary of State may issue an interim prohibition order if it is in the public interest to do so. [A section 128 direction 39](#) prohibits or restricts a person from taking part in the management of an independent school.

A person who is prohibited is unable to participate in any management of an independent school, a governor on any governing body in an independent school, or a management position that retains or has been delegated any management responsibilities. A check for a section 128 direction will be carried out using the Teacher Services' system. Where the person will be engaging in regulated activity, a DBS barred list check will also identify any section 128 direction.

### **Proof of identity, Right to Work in the UK & Verification of Qualifications and/or professional status**

All applicants invited to attend an interview at the school will be required to bring their identification documentation such as passport, birth certificate, driving licence etc. with them as proof of identity/eligibility to work in UK in accordance with the [Immigration, Asylum and Nationality Act 2006](#) and DBS identity checking guidelines.

ASOPA does not discriminate on the grounds of age.

Where an applicant claims to have changed their name by deed poll or any other means (e.g., marriage, adoption, statutory declaration) they will be required to provide documentary evidence of the change.

In addition, applicants must be able to demonstrate that they have obtained any academic or vocational qualification legally required for the position and claimed in their application form.

### **Medical Fitness**

ASOPA is legally required to verify the medical fitness of anyone to be appointed to a post at the School, after an offer of employment has been made but before the appointment can be confirmed.

All applicants are requested to complete a medical questionnaire and where appropriate a doctor's medical report may be required. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role.

ASOPA is aware of its duties under the [Equality Act 2010](#). No job offer will be withdrawn without first consulting with the applicant, obtaining medical evidence and considering reasonable adjustments.

### **Overseas checks**

In addition, applicants who have lived/travelled abroad for more than 3 months will need to obtain criminal records check from the relevant country. The applicant will not be permitted to commence work until the overseas information has been received and is considered satisfactory by ASOPA.

### **Induction Programme**

All new employees will be given an induction programme which will clearly identify the ASOPA policies and procedures, including the Child Protection Policy, the Code of Conduct, and KCSIE, and make clear the expectations which will govern how staff carry out their roles and responsibilities.

### **Single Centralised Register of Members of Staff**

In addition to the various staff records kept in school and on individual personnel files, a single centralised record of recruitment and vetting checks is kept in accordance with the [Education \(Independent School Standards\) Regulations 2014](#) requirements. This is kept up-to-date and retained by the Bursar.

- All employees who are employed to work at ASOPA.
- all employees who are employed as supply staff to ASOPA whether employed directly or through an agency.
- all others who have been chosen by ASOPA to work in regular contact with children. This will cover volunteers, governors, peripatetic staff and people brought into the school to provide additional teaching or instruction for pupils but who are not staff members, e.g., sports coaches etc.

A designated Governor will be responsible for auditing the Single Centralised Register and reporting their findings to the full Governing Body during the Summer Term meeting.

### **Record Retention/Data Protection**

ASOPA is legally required to undertake the above pre-employment checks. Therefore, if an applicant is successful in their application, ASOPA will retain on their personnel file any relevant information provided as part of the application process. This will include copies of documents used to verify identity, right to work in the UK, medical fitness and qualifications. Medical information may be used to help ASOPA to discharge its obligations as an employer, e.g., so that the School may consider reasonable adjustments if an employee suffers from a disability or to assist with any other workplace issue.

This documentation will be retained by the ASOPA for the duration of the successful applicant's employment with the School. All information retained on employees is kept centrally in the Principals Office in a locked and secure cabinet.

The same policy applies to any suitability information obtained about volunteers involved with ASOPA activities.

ASOPA will retain all interview notes on all unsuccessful applicants for a period of 6 months, after which time the notes will be confidentially destroyed (i.e., shredded). The 6-month retention period is in accordance with the [General Data Protection Regulations \(GDPR\) \[DPA18\]](#).

### **Ongoing Employment**

ASOPA recognises that safer recruitment and selection is not just about the start of employment but should be part of a larger policy framework for all staff. The school will therefore provide ongoing training and support for all staff, as identified through the Annual Review/appraisal procedure.

#### Leaving Employment at ASOPA

Despite the best efforts to recruit safely, there will be occasions when allegations of serious misconduct or abuse against children and young people are raised. This policy is primarily concerned with the promotion of safer recruitment and details the pre-employment checks that will be undertaken prior to employment being confirmed. Whilst these are pre-employment checks the School also has a legal duty to make a referral to the DBS in circumstances where an individual:

- has applied for a position at the School despite being barred from working with children; or
- has been removed by the School from working in regulated activity (whether paid or unpaid), or has resigned prior to being removed, because they have harmed, or pose a risk of harm to, a child.

If the individual referred to the DBS is a teacher, the School may also decide to make a referral to the Teaching Regulation Agency.

### **Contractors and agency staff**

Contractors engaged by ASOPA must complete the same checks for their employees that the ASOPA is required to complete for its staff. ASOPA requires confirmation that these checks have been completed before employees of the Contractor can commence work.

Agencies who supply staff to ASOPA must also complete the pre-employment checks which ASOPA would otherwise complete for its staff. ASOPA requires confirmation that these checks have been completed before an individual can commence work at the School.

ASOPA will independently verify the identity of staff supplied by contractors or an agency in and will require the provision of the original DBS certificate before contractors or agency staff can commence work at the School.

### **Visiting Speakers (and Prevent Duty)**

The Prevent Duty Guidance requires the School to have clear protocols for ensuring that any visiting speakers, whether invited by staff or by pupils, are suitable and appropriately supervised.

The School is not permitted to obtain a DBS disclosure or Children's Barred List information on any visiting speaker who does not engage in regulated activity at the School or perform any other regular duties for or on behalf of the School.

All visiting speakers will be subject to the School's usual visitors signing in protocol [Security on Site Policy]. This will include signing in and out at Reception, the wearing of a visitor's badge always and being escorted by a fully vetted member of staff between appointments.

ASOPA will also obtain such formal or informal background information about a visiting speaker as is reasonable in the circumstances to decide whether to invite and/or permit a speaker to attend the School. In doing so, ASOPA will always have regard to the [Visitors and Security Policy], the Prevent Duty Guidance and the definition of "extremism" set out in KCSIE which states:

"'Extremism' is vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas. Terrorist groups very often draw on extremist ideas developed by extremist organisations."

In fulfilling its Prevent Duty obligations the School does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

### **Volunteers**

ASOPA will request an enhanced DBS disclosure and Children's Barred List information on all volunteers undertaking regulated activity with pupils at or on behalf of the School (the definition of regulated activity set out above will be applied to all volunteers).

Under no circumstances will ASOPA permit an unchecked volunteer to have unsupervised contact with pupils.

It is ASOPA's policy that a new DBS certificate is required for volunteers who will engage in regulated activity but who have not been involved in any activities with the school for three consecutive months or more. Those volunteers who are likely to be involved in activities with the ASOPA on a regular basis may be required to sign up to the DBS update service, so this permits the school to obtain up to date criminal records information without delay prior to each new activity in which a volunteer participates.

In addition, ASOPA will seek to obtain such further suitability information about a volunteer as it considers appropriate in the circumstances. This may include (but is not limited to the following):

- formal or informal information provided by staff, parents and other volunteers.
- character references from the volunteer's place of work or any other relevant source.
- an informal safer recruitment interview.

### **Monitoring and Evaluation**

The Bursar will be responsible for ensuring that this policy is monitored and evaluated throughout the school. This will be undertaken through formal audits of job vacancies and a yearly Safer Recruitment Evaluation audit which will be presented to the Principal to report to the governing body.
